

TRANSFORMERS

CG Power

www.cglobal.com/us

Liquid filled transformers from 75 kVA to 1,500,000 kVA. UL listed, circular windings, Less-flammable environmentally friendly fluids

JST – JINPAN International USA

www.jstusa.net

Cast coil / cast resin distribution transformers, 150kVA-15,000kVA, 2300 volts -34,500 volt, UL Listed, ANSI/NEMA, standards for US market, IEC standards for export, primary switch fused or non fused offered

AMRAN

www.amranit.com

Indoor Instrument transformers. Potential transformers up to 27kV, window and bar type current transformers

Dongan Electric

www.dongan.com

LV general purpose transformers, reactors, ignition transformers, flexible OEM solutions

SCHAFFNER MTC

www.schaffner-mtc.com

VPI, VPE, and Magne-Seal LV and MV transformers

MOTORS AND MOTOR CONTROL

Toshiba Mitsubishi-Electric Industrial Systems Corporation

www.tmeic.com

Low voltage variable frequency drives and motors, medium voltage variable frequency drives and motors, DC drives, turbine generators

Solcon USA

www.solconusa.com

LV and MV Soft Starters, Electronic Brakes, SCR Power Controllers

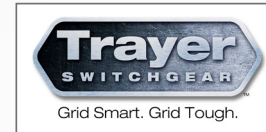

SWITCHGEAR

Switchgear Power Systems

www.switchgearpower.com

Prefabricated metal e-houses, custom MV and LV switchgear (UL 1558), pad-mounted metering cabinets, pad-mounted switchgear

Trayer Switchgear

www.trayer.com

Medium voltage dead front pad mounted switchgear

UNINTERRUPTIBLE POWER

General Electric

www.geindustrial.com/products/critical-power

Uninterruptible Power Supplies, PDUs, Automatic Transfer Switches, Paralleling Switchgear, Distributed Power Busway, Surge Protective Devices

STACO Energy Products Co.

www.stacoenergy.com

Lighting inverters, power factor correction, harmonic mitigation

Methode Electronics, Inc.

www.methode.com

Lithium-Ion Based UPS

POWER QUALITY

UST Power

www.ustpower.com

Power conditioning products, voltage regulators, voltage sag protection, and current balancing units

Elspec

www.elspec-ltd.com

Electronic power factor correction capacitor systems, Active filters

Castle Power Solutions

www.castlepowersolutions.biz

MV and LV enclosed capacitor banks, power factor and harmonic studies, open style rack mount capacitor banks, pole mounted capacitor banks, harmonic filter banks

DC BATTERY BACKUP

HBL Batteries

www.hblbatteries.com

Lead Selenium Batteries, Valve Regulated Lead Acid Batteries, Nickel Cadmium Batteries, Flooded Lead Acid Batteries

SENS - Stored Energy Systems

www.sens-usa.com

Industrial battery chargers and rectifiers for standby power generation and telecommunications applications.

POWER CONNECTION & PROTECTION

Advanced Cable Bus

www.advcablebus.com

Cable bus systems from 800A to 6000A, 480V to 69kV

SIBA

www.siba-fuses.us

Medium voltage, high voltage, standard European, miniatures, electronic fuses, and a wide range of DC rated fuses. Full line of PV UL Listed fuses and fuse holders

Ritz

www.ritzusa.com

Outdoor instrument transformers up to 69kV. Indoor instrument transformers up to 35kV. Custom instrument transformers. SIS: Touch Safe Solid Insulated Phase Busbar systems for transmission of higher currents and limited space requirements.

SAFETY AND SERVICES

Inolect

www.inolect.com

Remote racking solutions

C&C Manufacturing

www.ccmmanufacturing.net

Aluminum extrusion fabrications

CE Power Solutions

www.cepower.net

Custom Engineered solutions, Retrofit and Retro-fit of low, medium, and high voltage gear, industrial/commercial/utility maintenance & service offerings

GENERATOR ANCILLARY PRODUCTS

ESL Power Systems, Inc.

www.eslpwr.com

Manual transfer switches, generator docking stations, distribution tap boxes

Pioneer Power Solutions

www.pioneerpowersolutions.com

Low voltage and medium voltage power pillars for mission-critical applications. Liquid filled transformers from 5000 kVA to 20 MVA, up to 69kV

Load Banks Direct, LLC

www.loadbanksdirect.com

Low voltage and medium voltage stationary, trailer-mounted, duct-mounted, radiator-mounted load banks
